About the Event:

This is the 34th Annual Run of the Mill event and is Mill Creek's longest standing event tradition. The Race/Job/Walk starts and finishes in the Mill Creek Town Center and is 100% organized by Columbia Funding Mortgage as their way of saying thank you to the community for supporting their business and the local charities the event supports.

What must Sponsors Provide? Sponsors are required to supply their own booth/tents, and at least one table.

What does the event do to help the sponsors have participants visits their booths.?

Runners will pick up their race bibs and timing chips at sponsor booths and sponsors are expected to hand out the packets. Announcements will be made recognizing each sponsor and any offers they have at their booth.

Why do we need Sponsors?

We ask for sponsorships to offset the operational costs of the event so that the participant entree fees can be donated to local high school athletic programs and charities. All net proceeds are donated.
